TOMBSTONE CATALOGUE

Klipwerf Granite Tombstones has proudly served families in Gauteng for over two decades. We believe that every life deserves a legacy, and every tombstone should reflect the story of the person it honours. Our team is dedicated to creating lasting memorials that are elegant, durable, and deeply personal.

THANK YOU

Tombstones are more than just a stone, they are symbols of memory. From the early 1800s, families have used stones to mark the resting place of their loved ones.

Today, granite allows us to create more durable and artistic expressions of remembrance.
